

My Evaluations

Thank you for submitting your feedback for course Data Structures Lab. ✕

Hello Bryan Lopez. Please complete your surveys listed below.

Students are an important source of information about the effectiveness of a course, its instructors, and its teaching assistants. Please give serious thought to your comments. This survey will become part of the instructor's personnel file, and may be used as part of the process to determine future teaching awards. Your comments will be available to the instructor after your grade has been submitted, and they may be used to improve future offerings of the course.
